Entry deadlines for Autumn exams:

A'Level : 2nd September 2020

GCSE : 11th September 2020

Autumn exams will take place at McAuley regardless of whether you have stayed on to study in McAuley Sixth Form or have moved to a new Post 16 provider. The exceptions to this are GCSE Maths and GCSE English Language. If you have achieved below a Grade 4 in either of these subjects, you will have to resit them at your current (September 2020) Post 16 provider regardless of where that is.

All Autumn exams will have to be paid for by students before the entry deadline. No late entries will be accepted.
